

Rustic Impressions

Finger Lakes, NY

Hello & Welcome

Hello friends!

I'm so excited to be sending out my very first Rustic Impressions newsletter. If you're new here, welcome to my little corner of the Finger Lakes, where I handcraft all things fabric, and well - more! This space is where I'll share upcoming product launches, behind-the-scenes sneak peeks, special coupons and updates about where you can find my work in person.

Thank you so much for being here - your support means the world and allows me to keep creating pieces I love.
